One Stop #1,

Appellant,

v.

Retailer Operations Division,

Respondent.

Case Number: C0211482

FINAL AGENCY DECISION

It is the decision of the USDA that there is sufficient evidence to support that the Retailer Operations Division properly imposed a permanent disqualification of One Stop #1 as an authorized retailer in the Supplemental Nutrition Assistance Program (SNAP).

ISSUE

The issue accepted for review is whether the Retailer Operations Division took appropriate action, consistent with Title 7 Code of Federal Regulations (CFR) Part 278, when it imposed a permanent disqualification against One Stop #1.

AUTHORITY

7 U.S.C. § 2023 and its implementing regulations at 7 CFR § 279.1 provide that “A food retailer or wholesale food concern aggrieved by administrative action under § 278.1, § 278.6 or § 278.7 ... may ... file a written request for review of the administrative action with FNS.”

CASE CHRONOLOGY

The USDA conducted an investigation of the compliance of One Stop #1 with Federal SNAP law and regulations from October 2018 to April 2019. The investigation report documents that personnel at One Stop #1 exchanged SNAP benefits for cash during an undercover compliance visit. The buying or selling of SNAP benefits for cash or consideration other than eligible food is trafficking as defined under 7 CFR § 271.2.

As a result of the evidence compiled from this investigation, the Retailer Operations Division charged the Appellant, in a letter dated June 17, 2019, with trafficking in SNAP benefits. The charge letter noted that the penalty for trafficking is permanent disqualification as provided by 7 CFR § 278.6(e)(1). The letter stated the Appellant had the right to respond to the charges within

10 days of receipt. The letter also stated that the Appellant could request a trafficking civil money penalty (CMP) in lieu of a permanent disqualification within 10 days of receipt under the conditions specified in 7 CFR § 278.6(i). The charge letter was delivered by UPS on June 18, 2019. The Appellant did not reply to the charge letter.

After giving consideration to the evidence, the Retailer Operations Division informed the Appellant, by letter dated July 8, 2019, that One Stop #1 was permanently disqualified from participation in the SNAP. The letter also stated that the Appellant was not eligible for a trafficking CMP as the Appellant did not submit sufficient evidence to demonstrate that the firm had established and implemented an effective compliance policy and program to prevent violations of the SNAP. The Appellant received the determination letter on July 11, 2019.

In a letter postmarked July 15, 2019, the Appellant requested an administrative review of the permanent disqualification determination. The request for administrative review was granted.

STANDARD OF REVIEW

In appeals of adverse actions, an appellant bears the burden of proving by a preponderance of the evidence, that the administrative action should be reversed. That means an appellant has the burden of providing relevant evidence which a reasonable mind, considering the record as a whole, might accept as sufficient to support a conclusion that the matter asserted is more likely to be true than not true.

CONTROLLING LAW AND REGULATIONS

The controlling law in this matter is covered in the Food & Nutrition Act of 2008, as amended, 7 U.S.C. § 2021, and promulgated through regulation under Title 7 CFR Part 278. In particular, 7 CFR § 278.6(a) and (e)(1)(i) establish the authority upon which a permanent disqualification may be imposed against a retail food store or wholesale food concern.

7 U.S.C. § 2021(b)(3)(B) states, in part:

... a disqualification under subsection (a) shall be ... permanent upon ... the first occasion or any subsequent occasion of a disqualification based on the purchase of coupons or trafficking in coupons or authorization cards by a retail food store or wholesale food concern or a finding of the unauthorized redemption, use, transfer, acquisition, alteration, or possession of EBT cards

7 CFR § 271.2 states that the definition of “coupon” includes:

... an electronic benefit transfer card or personal identification number issued pursuant to the provisions of the Food and Nutrition Act of 2008, as amended, for the purchase of eligible food.

7 CFR § 278.6(e)(1)(i) states:

FNS shall ... disqualify a firm permanently if personnel of the firm have trafficked as defined in § 271.2.

7 CFR § 271.2 defines trafficking, in part, as:

The buying, selling, stealing, or otherwise effecting an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone

7 CFR § 271.2 defines eligible food, in part, as:

Any food or food product intended for human consumption except alcoholic beverages, tobacco, and hot foods and hot food products prepared for immediate consumption

7 CFR § 278.6(a) states, in part:

FNS may disqualify any authorized retail food store ... if the firm fails to comply with the Food and Nutrition Act of 2008, as amended, or this part. Such disqualification shall result from a finding of a violation on the basis of evidence that may include facts established through on-site investigations, inconsistent redemption data, evidence obtained through a transaction report under an electronic benefit transfer system....

7 CFR § 278.6(i) states, in part:

FNS may impose a civil money penalty in lieu of a permanent disqualification for trafficking ... if the firm timely submits to FNS substantial evidence which demonstrates that the firm had established and implemented an effective compliance policy and program to prevent violations of the Program.

7 CFR § 278.6(b)(2) states, in part:

(ii) Firms that request consideration of a civil money penalty in lieu of a permanent disqualification for trafficking shall have the opportunity to submit to FNS information and evidence as specified in § 278.6(i), that establishes the firm's eligibility for a civil money penalty in lieu of a permanent disqualification in accordance with the criteria included in § 278.6(i). This information and evidence shall be submitted within 10 days, as specified in § 278.6(b)(1).

(iii) If a firm fails to request consideration for a civil money penalty in lieu of a permanent disqualification for trafficking and submit documentation and evidence of its eligibility within the 10 days specified in § 278.6(b)(1), the firm shall not be eligible for such a penalty.

SUMMARY OF CHARGES

During an investigation conducted from October 2018 to April 2019, the USDA conducted five (5) undercover compliance visits at One Stop #1. A report of the investigation was provided to the Appellant as an attachment to the charge letter dated June 17, 2019. The investigation report included Exhibits A through E which provide full details on the results of each compliance visit. The investigation report documents that SNAP violations occurred during all five (5) compliance visits and were committed by two different clerks. A single clerk exchanged cash for SNAP benefits as documented by Exhibits D and E.

APPELLANT'S CONTENTIONS

The Appellant made the following summarized contentions in request for administrative review, in relevant part:

- The store owner took corrective action by firing the employees who committed the violations and has hired new staff.
- The store owner is now more closely monitoring SNAP transactions and requests another chance.

The preceding may represent only a brief summary of the Appellant's contentions presented in this matter. Please be assured, however, in reaching a decision, full attention was given to all contentions presented, including any not specifically recapitulated or specifically referenced herein.

ANALYSIS AND FINDINGS

Investigation Report

The investigation report documents that the charges of violations are based on the findings of a formal USDA investigation. The transactions cited in the letter of charges were conducted under the direction of a USDA investigator and are thoroughly documented. A complete review of this documentation has yielded no known error or discrepancy. The investigation report is specific and thorough with regard to the dates of the violations, the specific facts related thereto, and is supported by documentation that confirms specific details of the transactions. A preponderance of the evidence indicates that personnel at the store exchanged cash for SNAP benefits.

Owner Accountability

The store owner signed the SNAP authorization application for the store on September 13, 2017 and acknowledged that the owner was aware of the SNAP regulations and understood those regulations. That application also included a certification and confirmation that the owner would "accept responsibility on behalf of the firm for violations of the SNAP regulations, including those committed by any of the firm's employees, paid or unpaid, new, full-time or part-time." The violations listed on this certification include accepting SNAP benefits in exchange for cash,

otherwise known as trafficking, and other violations such as accepting SNAP benefits for ineligible non-food items or as repayment on credit accounts.

Corrective Action

The Appellant states that the store has taken corrective action by firing the employees who committed the violations and is now more closely monitoring SNAP transactions. Regarding this contention, it is important to clarify for the record that the purpose of this review is to either validate or to invalidate the earlier determination of the Retailer Operations Division. This review is limited to what circumstances existed at the time that was the basis of the Retailer Operations Division's action. It is not the authority of this review to consider what subsequent remedial actions may have been taken so that a store may begin to comply with program requirements.

In addition, there are no provisions in the SNAP regulations for a waiver or reduction of an administrative penalty assessment on the basis of alleged or planned corrective actions implemented subsequent to findings of program violations. Therefore, the Appellant's contention that corrective action has taken place does not provide any valid basis for dismissing the charges or for mitigating the penalty imposed.

Request for a Second Chance

Trafficking in SNAP benefits is an extremely serious violation and both 7 U.S.C. §2021(b)(3)(B) and 7 CFR §278.6(e)(1)(i) state that a **first time** violation warrants a permanent disqualification. Therefore, there can be no second chance in this case.

CIVIL MONEY PENALTY

The Appellant did not timely request consideration for a trafficking CMP in lieu of a permanent disqualification under 7 CFR § 278.6(i) even though it was informed of the right to do so in the charge letter. The SNAP regulation at 7 CFR § 278.6(b)(2)(ii) mandates that a request for a trafficking CMP along with supporting documentation shall be submitted within ten (10) days of receipt of the charge letter.

The SNAP regulation at 7 CFR § 278.6(b)(2)(iii) also states, in part, that "if a firm fails to request consideration for a civil money penalty in lieu of a permanent disqualification for trafficking and submit documentation and evidence of its eligibility within the 10 days ... the firm **shall not be eligible** for such a penalty." [Emphasis added.]

Even if a timely request had been submitted, the Appellant would likely not have been eligible for a trafficking CMP in lieu of disqualification because there is insufficient evidence to demonstrate that the firm had established and implemented an effective SNAP compliance policy and program prior to the violations. Therefore, the Retailer Operations Division's decision not to impose a trafficking CMP in lieu of disqualification is sustained as appropriate pursuant to 7 CFR § 278.6(i).

CONCLUSION

Trafficking is defined, in part, in 7 CFR § 271.2, as “the buying, selling, stealing, or otherwise effecting an exchange of SNAP benefits ... for cash or consideration other than eligible food” The SNAP regulation at 7 CFR § 278.6(e)(1)(i) reads, in part, “FNS shall ... disqualify a firm permanently if personnel of the firm have trafficked as defined in § 271.2.” The law and regulations do not provide for a lesser period of disqualification for this violation.

Based on a full review of the evidence in this case, there is no question that trafficking violations did occur during a USDA investigation. Based on the analysis above, the decision to impose a permanent disqualification against One Stop #1, Appellant, is sustained.
