Parklane Amoco,

Appellant,

v.

Retailer Operations Division,

Respondent.

Case Number: C0212515

FINAL AGENCY DECISION

It is the decision of the U.S. Department of Agriculture (USDA), Food and Nutrition Service (FNS), that there is sufficient evidence to support a finding that a permanent disqualification from participation as an authorized retailer in the Supplemental Nutrition Assistance Program (SNAP) was properly imposed against Parklane Amoco (Appellant) by the Retailer Operations Division of FNS.

ISSUE

The issue accepted for review is whether the Retailer Operations Division took appropriate action, consistent with Title 7 Code of Regulations (CFR) Part 278 in its administration of the SNAP, when it imposed a permanent disqualification against Parklane Amoco on January 30, 2019.

AUTHORITY

7 U.S.C. § 2023 and its implementing regulations at 7 CFR § 279.1 provide that “[A] food retailer or wholesale food concern aggrieved by administrative action under § 278.1, § 278.6 or § 278.7 . . . may . . . file a written request for review of the administrative action with FNS”.

CASE CHRONOLOGY

The USDA conducted an investigation of the compliance of Parklane Amoco with Federal SNAP law and regulations during the period October 17, 2018 through December 12, 2018. The investigation report documents that personnel at Parklane Amoco, in addition to accepting SNAP benefits in exchange for ineligible items on four occasions, also exchanged SNAP benefits for cash during two undercover compliance visits. The buying or selling of SNAP benefits for cash or consideration other than eligible food is trafficking as defined under 7 CFR § 271.2.

As a result of evidence compiled from this investigation, the Retailer Operations Division informed the Appellant, in a letter dated December 19, 2018, that it was charged with violating the terms and conditions of the SNAP regulations. The Charge Letter along with a copy of the investigation report was delivered by UPS on December 20, 2018 and signed for by “5 U.S.C. § 552 (b)(6) & (b)(7)(C)”. The letter stated, in relevant part, that:

“Your firm is charged with trafficking, as defined in Section 271.2 of the SNAP regulations. As provided by Section 278.6(e)(1) of the SNAP regulations, the sanction for the trafficking violation(s) ... is permanent disqualification”.

The Charge Letter also stated that:

“...under certain conditions, FNS may impose a civil money penalty (CMP) of up to \$59,000.00 in lieu of permanent disqualification of a firm for trafficking. The SNAP regulations, Section 278.6(i), list the criteria that you must meet in order to be considered for a CMP. If you request a CMP, you must meet each of the four criteria listed and provide the documentation as specified within 10 calendar days of your receipt of this letter”.

The Appellant did not reply to the charges outlined in the December 19, 2018 Charge Letter. After giving consideration to the evidence in this case, the Retailer Operations Division informed the Appellant, by letter dated January 30, 2019, that Parklane Amoco was permanently disqualified from participation as a retail store in the SNAP. The letter also stated that the Appellant was not eligible for a trafficking CMP as the Appellant did not submit sufficient evidence to demonstrate that the firm had established and implemented an effective compliance policy and program to prevent violations of the SNAP.

In a letter postmarked February 11, 2019, the Appellant, through counsel, requested an administrative review of the permanent disqualification determination. FNS granted the Appellant’s request for administrative review by letter dated February 19, 2019.

STANDARD OF REVIEW

In appeals of adverse actions, the Appellant bears the burden of proving by a clear preponderance of the evidence, that the administrative actions should be reversed. That means the Appellant has the burden of providing relevant evidence which a reasonable mind, considering the record as a whole, might accept as sufficient to support a conclusion that the matter asserted is more likely to be true than not true.

CONTROLLING LAW

The controlling statute in this matter is covered in the Food and Nutrition Act of 2008, as amended, 7 U.S.C. § 2021, and promulgated through regulation under Title 7 CFR Part 278. In particular, 7 CFR § 278.6(a) and (e)(1)(i) establish the authority upon which a permanent disqualification may be imposed against a retail food store or wholesale food concern.

7 U.S.C. § 2021(b)(3)(B) states, in part:

... a disqualification under subsection (a) shall be ... permanent upon ... the first occasion or any subsequent occasion of a disqualification based on the purchase of coupons or trafficking in coupons or authorization cards by a retail food store or wholesale food concern or a finding of the unauthorized redemption, use, transfer, acquisition, alteration, or possession of EBT cards ...[Emphasis added.]

7 CFR § 278.6(e)(1)(i) states:

FNS shall disqualify a firm permanently if personnel of the firm have trafficked as defined in § 271.2.

7 CFR § 271.2 states, in part:

Trafficking means the buying or selling of coupons, ATP cards or other benefit instruments for cash or consideration other than eligible food ...

7 CFR § 278.6(a) states, in part:

FNS may disqualify any authorized retail food store ... if the firm fails to comply with the Food and Nutrition Act of 2008, as amended, or this part. Such disqualification shall result from a finding of a violation on the basis of evidence that may include facts established through on-site investigations ...

7 CFR §278.6(i) states, in part:

FNS may impose a civil money penalty in lieu of a permanent disqualification for trafficking as defined in § 271.2 if the firm timely submits to FNS substantial evidence which demonstrates that the firm had established and implemented an effective compliance policy and program to prevent violations of the Program

In determining the minimum standards of eligibility of a firm for a civil money penalty in lieu of a permanent disqualification for trafficking, the firm shall, at a minimum, establish by substantial evidence its fulfillment of each of the following criteria:

Criterion 1. The firm shall have developed an effective compliance policy as specified in §278.6(i)(1); and

Criterion 2. The firm shall establish that both its compliance policy and program were in operation at the location where the violation(s) occurred prior to the occurrence of violations cited in the charge letter sent to the firm; and

Criterion 3. The firm had developed and instituted an effective personnel training program as specified in §278.6(i)(2); and

Criterion 4. Firm ownership was not aware of, did not approve, did not benefit from, or was not in any way involved in the conduct or approval of trafficking violations; or it is only the first occasion in which a member of firm management was aware of, approved,

benefited from, or was involved in the conduct of any trafficking violations by the firm

7 CFR § 278.6(b)(2) states, in part:

(ii) Firms that request consideration of a civil money penalty in lieu of a permanent disqualification for trafficking shall have the opportunity to submit to FNS information and evidence as specified in § 278.6(i), that establishes the firm's eligibility for a civil money penalty in lieu of a permanent disqualification in accordance with the criteria included in § 278.6(i). This information and evidence shall be submitted within 10 days, as specified in § 278.6(b)(1). [Emphasis added.]

(iii) If a firm fails to request consideration for a civil money penalty in lieu of a permanent disqualification for trafficking and submit documentation and evidence of its eligibility within the 10 days specified in § 278.6(b)(1), the firm shall not be eligible for such a penalty. [Emphasis added.]

SUMMARY OF CHARGES

During an investigation from October 17, 2018 through December 12, 2018, the USDA conducted five compliance visits at Parklane Amoco. A report of the investigation was provided to the Appellant as an attachment to the Charge Letter dated December 19, 2018. 5 U.S.C. § 552 (b)(7)(E). The buying or selling of SNAP benefits for cash or consideration other than eligible food is trafficking as defined under 7 CFR § 271.2.

APPELLANT'S CONTENTIONS

The following represents a brief summary of the Appellant's contentions in this matter. Please be assured, however, that in reaching a decision, full attention and consideration was given to all contentions presented, including any not specifically recapitulated or specifically referenced herein.

In the administrative review request, the Appellant, through counsel, made the following summarized contentions, in relevant part:

- The Appellant did not receive a copy of the December 19, 2018 Charge Letter.
- The Appellant's counsel requests that FNS provide him with a copy of the December 19, 2018 Charge Letter.

ANALYSIS AND FINDINGS

Charge Letter

The Appellant contends that he did not receive a copy of the December 19, 2018 Charge Letter. The Appellant's counsel requests that FNS provide him with a copy of the December 19, 2018 Charge Letter.

With regards to Appellant's contention that he did not receive the letter of charges dated December 19, 2018, the Charge Letter was addressed to Appellant at the mailing address provided on Appellant's retailer application, and was delivered by UPS thereto on December 20, 2018 and signed for by "5 U.S.C. § 552 (b)(6) & (b)(7)(C)". This constitutes proper notice to the firm of the charges against it. In addition, as was requested, the Retailer Operations Division provided a copy of the December 19, 2018 Charge Letter to the Appellant's counsel on April 30, 2019. The Appellant has now been given and provided the opportunity in the present administrative review to submit whatever evidence and information he could have previously submitted in support of his position that the Retailer Operations Division's adverse action against the subject store should be reversed. No evidence or information was provided by the Appellant or his counsel in response to the Charge Letter or in support of the February 11, 2019 request for administrative review.

CIVIL MONEY PENALTY

As previously indicated, the January 30, 2019 Determination Letter advised the Appellant of the ineligibility for consideration for a trafficking civil money penalty according to the terms of Section 278.6(i) of the SNAP regulations. The letter of charges dated December 19, 2018 advised the Appellant that documentation of eligibility for that alternative sanction was to be provided within 10 days. The regulations specify that such documentation must, in part, establish that there was an effective compliance policy and training program and that both were in effect and implemented prior to the occurrence of violations. The letter indicates that no information was provided by the Appellant for consideration; therefore, on review the Retailer Operations Division's determination that the Appellant firm is ineligible for the imposition of civil money penalties in lieu of disqualification is affirmed.

CONCLUSION

As previously stated, 7 CFR § 278.6(e)(1)(i) reads, in part, "FNS shall disqualify a firm permanently if personnel of the firm have trafficked as defined in § 271.2." Trafficking is defined, in part, in 7 CFR § 271.2, as "the buying or selling of SNAP benefits for cash or consideration other than eligible food." The law and regulations do not provide for a lesser period of disqualification for this violation.

Based on a review of the evidence in this case, there is no question that program violations did occur during a USDA investigation. All transactions cited in the letter of charges were conducted or supervised by a USDA investigator and all are thoroughly documented. A review of this documentation has yielded no indication of error or discrepancy in any of the reported findings. Rather, the investigative record is specific and accurate with regard to the dates of the violations, including the exchange of SNAP benefits for cash, and in all other critically pertinent details. Therefore, the decision to impose a permanent disqualification against the Appellant, Parklane Amoco, is sustained.
