**Sonny's Grocery & Deli,**

**Appellant,**

**Retailer Operations Division,**

**Respondent.**

**Case Number: C0234715**

**FINAL AGENCY DECISION**

It is the decision of the USDA that the record indicates that Sonny's Grocery & Deli (hereinafter Appellant) committed violations of the Supplemental Nutrition Assistance Program (SNAP). There is sufficient evidence to support a finding that the permanent disqualification from participation as an authorized retailer in the program, as initially imposed by the Retailer Operations Division was appropriate.

**ISSUE**

The issue accepted for review is whether the Retailer Operations Division took appropriate action, consistent with Title 7 Code of Federal Regulations (CFR) Part 278 in its administration of the SNAP, when it imposed a permanent disqualification against Appellant.

**AUTHORITY**

7 U.S.C. § 2023 and the implementing regulations at 7 CFR § 279.1 provides that "[A] food retailer or wholesale food concern aggrieved by administrative action under § 278.1, § 278.6 or § 278.7 . . . may file a written request for review of the administrative action with FNS."

**CASE CHRONOLOGY**

The USDA conducted an investigation of the compliance of Appellant with Federal SNAP law and regulations from October 8, 2020 through October 13, 2020. The investigation report documents that personnel at Appellant committed SNAP violations on four (4) out of five (5) compliance visits. During one (1) compliance visit, store personnel exchanged SNAP benefits for cash. The buying or selling of SNAP benefits for cash or consideration other than eligible food is trafficking as defined under 7 CFR § 271.2.

As a result of evidence compiled from this investigation, the Retailer Operations Division informed the Appellant, in a letter dated December 21, 2020, that it was charged with violating the terms and conditions of the SNAP regulations. The letter stated, in relevant part, that:

Your firm is charged with trafficking, as defined in Section 271.2 of the SNAP regulations. As provided by Section 278.6(e)(1) of the SNAP regulations, the sanction for the trafficking violation(s) ... is permanent disqualification.

The charge letter also stated that:

Under certain conditions, FNS may impose a civil money penalty (CMP) of up to \$59,000.00 in lieu of permanent disqualification of a firm for trafficking. The SNAP regulations, Section 278.6(i), list the criteria that you must meet in order to be considered for a CMP. If you request a CMP, you must meet each of the four criteria listed and provide the documentation as specified within 10 calendar days of your receipt of this letter.

During a December 28, 2020, telephone call with Retailer Operations Division, Appellant replied to the charge letter and generally stated that ownership was under the weather for a few months and wasn't in his right mind when he allowed the non-food items and has never had any problems with EBT in 40 years. Ownership explained that he gave 5 U.S.C. § 552 (b)(6) & (b)(7)(C) to the lady because he wanted to help her. Appellant stated that he had nothing else to say and no other comments or information was provided.

After considering the Appellant's reply and the evidence in the case, the Retailer Operations Division issued a determination letter dated December 30, 2020. The determination letter informed the Appellant it was permanently disqualified from the SNAP in accordance with 7 CFR § 278.6(c) and § 278.6(e)(1). The determination letter also stated that the Retailer Operations Division considered the Appellant's eligibility for a trafficking CMP according to the terms of Section 278.6(i) of the SNAP regulations. The Retailer Operations Division determined that the Appellant was not eligible for the trafficking CMP because the Appellant failed to submit sufficient evidence to demonstrate that the firm had established and implemented an effective compliance policy and program to prevent violations of the SNAP.

In a letter dated January 6, 2021, the Appellant requested an administrative review of the Retailer Operations Division's determination. The appeal was granted.

## **STANDARD OF REVIEW**

In appeals of adverse actions, an appellant bears the burden of proving by a preponderance of the evidence, that the administrative actions should be reversed. That means an appellant has the burden of providing relevant evidence which a reasonable mind, considering the record as a whole, would accept as sufficient to support a conclusion that the matter asserted is more likely to be true than not true.

## CONTROLLING LAW

The controlling statute in this matter is contained in the Food & Nutrition Act of 1977, as amended, 7 U.S.C. § 2021 and 278 of Title 7 of the Code of Federal Regulations (CFR). In particular, 7 CFR § 278.6(a) and (e)(1)(i) establish the authority upon which a permanent disqualification may be imposed against a retail food store or wholesale food concern.

7 U.S.C. § 2021(b)(3)(B) states, *inter alia*: "... a disqualification under subsection (a) shall be ... permanent upon ... the first occasion or any subsequent occasion of a disqualification based on the purchase of coupons or trafficking in coupons or authorization cards by a retail food store or wholesale food concern or a finding of the unauthorized redemption, use, transfer, acquisition, alteration, or possession of EBT cards ..."

7 CFR § 278.6(e)(1)(i) states: "FNS shall disqualify a firm permanently if personnel of the firm have trafficked as defined in § 271.2."

7 CFR § 271.2 states, *inter alia*: "**Trafficking** means "the buying, selling, stealing, or otherwise effecting an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone;..."

7 CFR § 278.6(a) states, *inter alia*: "FNS may disqualify any authorized retail food store... if the firm fails to comply with the Food and Nutrition Act of 1977, as amended, or this part. Such disqualification shall result from a finding of a violation on the basis of evidence that may include facts established through on- site investigations...."

7 CFR § 278.6(f)(1) states, *inter alia*: "FNS may impose a civil money penalty as a sanction in lieu of disqualification when the firm's disqualification would cause hardship to [SNAP] households because there is no other authorized retail food store in the area selling as large a variety of staple food items at comparable prices... A civil money penalty for hardship to [SNAP] households may not be imposed in lieu of a permanent disqualification."

7 CFR § 278.6(b)(2)(ii) states, *inter alia*: "Firms that request consideration of a civil money penalty in lieu of a permanent disqualification for trafficking shall have the opportunity to submit to FNS information and evidence ... that establishes the firm's eligibility for a civil money penalty in lieu of a permanent disqualification in accordance with the criteria included in § 278.6(i). This information and evidence shall be submitted within 10 days, as specified in § 278.6(b)(1)."

7 CFR § 278.6(i) states, *inter alia*: "FNS may impose a civil money penalty in lieu of a permanent disqualification for trafficking ... if the firm timely submits to FNS substantial evidence which demonstrates that the firm had established and implemented an effective compliance policy and program to prevent violations of the Program."

## SUMMARY OF THE CHARGES

During an investigation from October 8, 2020 through October 13, 2020, the USDA conducted five (5) compliance visits at Appellant. A report of the investigation was provided to the Appellant as an attachment to the charge letter dated December 21, 2020. The investigation report documents that, SNAP violations were committed during four (4) of the five (5) compliance visits. During one (1) of the compliance visits, store personnel committed a trafficking violation by exchanging SNAP benefits for cash.

## APPELLANT'S CONTENTIONS

The Appellant made the following summarized contentions in its request for administrative review, in relevant part:

1. I wholeheartedly regret my actions and now thoroughly understand how I violated the terms of the SNAP program. The violations were an egregious oversight and I take them very seriously. To that end, the following corrective actions are underway and plan to be fully implemented annually if the decision is overturned in my favor.
  - I have appointed 5 U.S.C. § 552 (b)(6) & (b)(7)(C) to assist with educating the staff and myself on the current SNAP regulations. Specifically, she will be using the 20-page training guide that explains program rules, regulations, and policies.
  - Review training videos annually with all staff and volunteers.
  - Once a year will hold a refresher course, distribute training materials, and also distribute any new updates about the program to all employees.
  - Document training dates, with employee signatures and list topics covered.
  - Whenever warranted, explain to customers what SNAP will and will not cover.
2. I am humbly asking the appeals committee to please reconsider their decision at this occurrence was my first-time offense and because I have been in business serving the Hell's Kitchen community for over 40 years.
3. The pandemic has already instituted a financial hardship on my small business. I fear a permanent suspension of use of the SNAP program may cripple my business indefinitely

Appellant provided a signed statement from 5 U.S.C. § 552 (b)(6) & (b)(7)(C) attesting to her position as Chief Operations Officer and the duties in which she will engage. The preceding may represent only a brief summary of the Appellant's contentions presented in this matter. Please be assured, however, in reaching a decision, full attention was given to all contentions presented, including any not specifically recapitulated or specifically referenced herein.

## ANALYSIS AND FINDINGS

With regards to Appellant's contentions, they cannot be accepted as a valid basis for dismissing any of the charges, or for mitigating the impact of those charges. As owner of the store, Appellant is liable for all volatile transactions handled by store personnel. Regardless of whom the ownership of a store may utilize to handle store business, whether employee or

family member helping out, full-time, part-time, paid, or unpaid, ownership is accountable for the proper handling of SNAP benefit transactions. To allow store ownership to disclaim accountability for the acts of persons whom the ownership chooses to utilize to handle store business would render virtually meaningless the enforcement provisions of the Food and Nutrition Act and the enforcement efforts of the USDA.

Appellant does not deny that trafficking took place in its store but indicates that the violations were an egregious oversight and ownership takes them very seriously. The charges of violations are based on the findings of a formal Department of Agriculture investigation; all transactions cited were conducted under the direct supervision of a Department Investigator. All such transactions are fully documented and a review of this documentation has yielded no indication of substantial error or discrepancy in the reported findings; the investigative record is specific and thorough with regard to the dates and other specifics of the violations and in all other critically pertinent detail.

### **CIVIL MONEY PENALTY**

The Appellant did not timely request consideration for a trafficking CMP in lieu of a permanent disqualification under 7 CFR 278.6(i) even though it was informed of the right to do so in the charge letter. Even if a timely request had been submitted, the Appellant would likely not have been eligible for a trafficking CMP in lieu of disqualification because there is insufficient evidence to demonstrate that the firm had established and implemented an effective compliance policy to prevent SNAP violations. Therefore, the Retailer Operations Division's decision not to impose a trafficking CMP in lieu of disqualification is sustained as appropriate pursuant to 7 CFR § 278.6(i).

### **CONCLUSION**

As previously stated, 7 CFR § 278.6(e)(1)(i) reads, in part, "FNS shall disqualify a firm permanently if personnel of the firm have trafficked as defined in § 271.2." Trafficking is defined, in part, in 7 CFR § 271.2, as "the buying or selling of SNAP benefits for cash or consideration other than eligible food." The law and regulations do not provide for a lesser period of disqualification for this violation.

Based on a review of the evidence in this case, there is no question that program violations did occur during a USDA investigation. All transactions cited in the letter of charges were conducted or supervised by a USDA Investigator and all are thoroughly documented. A review of this documentation has yielded no indication of error or discrepancy in any of the reported findings. Rather, the investigative record is specific and accurate with regard to the dates of the violations, including the exchange of SNAP benefits for cash, and in all other critically pertinent details. The decision to impose a permanent disqualification against Sonny's Grocery & Deli is sustained.

Please note that if a judicial review is desired, the Complaint, naming the United States as the defendant, must be filed in the U.S. District Court for the district in which you reside or are engaged in business, or in any court of record of the State having competent jurisdiction.
