**Case Number: C0209690**

**Retailer Operations Division,**

**Respondent.**

**FINAL AGENCY DECISION**

It is the decision of the U.S. Department of Agriculture (USDA), Food and Nutrition Service (FNS), that there is sufficient evidence to support a finding that a permanent disqualification from participation as an authorized retailer in the Supplemental Nutrition Assistance Program (SNAP) was properly imposed against TGA Deli Mart (Appellant) by the Retailer Operations Division of FNS.

**ISSUE**

The issue accepted for review is whether the Retailer Operations Division took appropriate action, consistent with Title 7 Code of Regulations (CFR) Part 278 in its administration of the SNAP, when it imposed a permanent disqualification against TGA Deli Mart on October 11, 2018.

**AUTHORITY**

7 U.S.C. § 2023 and its implementing regulations at 7 CFR § 279.1 provide that “[A] food retailer or wholesale food concern aggrieved by administrative action under § 278.1, § 278.6 or § 278.7 . . . may . . . file a written request for review of the administrative action with FNS”.

**CASE CHRONOLOGY**

The USDA conducted an investigation of the compliance of TGA Deli Mart with Federal SNAP law and regulations during the period June 25, 2018 through July 9, 2018. The investigation report documents that personnel at TGA Deli Mart exchanged SNAP benefits for cash or consideration other than eligible food during two undercover compliance visits. The buying or selling of SNAP benefits for cash or consideration other than eligible food is trafficking as defined under 7 CFR § 271.2.

As a result of evidence compiled from this investigation, the Retailer Operations Division informed the Appellant, in a letter dated September 6, 2018, that it was charged with violating the terms and conditions of the SNAP regulations. The Charge Letter along with a copy of the investigation report was delivered to the Appellant. The Charge Letter stated, in relevant part, that:

“Your firm is charged with trafficking, as defined in Section 271.2 of the SNAP regulations. As provided by Section 278.6(e)(1) of the SNAP regulations, the sanction for the trafficking violation(s) ... is permanent disqualification”.

The Charge Letter also stated that:

“...under certain conditions, FNS may impose a civil money penalty (CMP) of up to \$59,000.00 in lieu of permanent disqualification of a firm for trafficking. The SNAP regulations, Section 278.6(i), list the criteria that you must meet in order to be considered for a CMP. If you request a CMP, you must meet each of the four criteria listed and provide the documentation as specified within 10 calendar days of your receipt of this letter”.

In a reply to the Retailer Operations Division of September 19, 2018, the Appellant, through counsel, replied to the charges therein requesting that FNS impose a civil money penalty in lieu of a permanent disqualification of TGA Deli Mart from participation in the SNAP.

After giving consideration to the Appellant’s reply and the evidence in this case, the Retailer Operations Division informed the Appellant, by letter dated October 11, 2018, that TGA Deli Mart was permanently disqualified from participation as a retail store in the SNAP. The letter also stated that the Appellant was not eligible for a trafficking CMP as the Appellant did not submit sufficient evidence to demonstrate that the firm had established and implemented an effective compliance policy and program to prevent violations of the SNAP.

In a letter postmarked October 19, 2018, the Appellant, through counsel, requested an administrative review of the permanent disqualification determination. FNS granted the Appellant’s request for administrative review by letter dated October 26, 2018.

### **STANDARD OF REVIEW**

In appeals of adverse actions, the Appellant bears the burden of proving by a clear preponderance of the evidence, that the administrative actions should be reversed. That means the Appellant has the burden of providing relevant evidence which a reasonable mind, considering the record as a whole, might accept as sufficient to support a conclusion that the matter asserted is more likely to be true than not true.

### **CONTROLLING LAW**

The controlling statute in this matter is covered in the Food and Nutrition Act of 2008, as amended, 7 U.S.C. § 2021, and promulgated through regulation under Title 7 CFR Part 278. In

particular, 7 CFR § 278.6(a) and (e)(1)(i) establish the authority upon which a permanent disqualification may be imposed against a retail food store or wholesale food concern.

7 U.S.C. § 2021(b)(3)(B) states, in part:

... a disqualification under subsection (a) shall be ... permanent upon ... the first occasion or any subsequent occasion of a disqualification based on the purchase of coupons or trafficking in coupons or authorization cards by a retail food store or wholesale food concern or a finding of the unauthorized redemption, use, transfer, acquisition, alteration, or possession of EBT cards ... [Emphasis added.]

7 CFR § 278.6(e)(1)(i) states:

FNS shall disqualify a firm permanently if personnel of the firm have trafficked as defined in § 271.2.

7 CFR § 271.2 states, in part:

Trafficking means the buying or selling of coupons, ATP cards or other benefit instruments for cash or consideration other than eligible food ...

7 CFR § 278.6(a) states, in part:

FNS may disqualify any authorized retail food store ... if the firm fails to comply with the Food and Nutrition Act of 2008, as amended, or this part. Such disqualification shall result from a finding of a violation on the basis of evidence that may include facts established through on-site investigations ...

7 CFR §278.6(i) states, in part:

FNS may impose a civil money penalty in lieu of a permanent disqualification for trafficking as defined in § 271.2 if the firm timely submits to FNS substantial evidence which demonstrates that the firm had established and implemented an effective compliance policy and program to prevent violations of the Program ....

In determining the minimum standards of eligibility of a firm for a civil money penalty in lieu of a permanent disqualification for trafficking, the firm shall, at a minimum, establish by substantial evidence its fulfillment of each of the following criteria:

Criterion 1. The firm shall have developed an effective compliance policy as specified in §278.6(i)(1); and

Criterion 2. The firm shall establish that both its compliance policy and program were in operation at the location where the violation(s) occurred prior to the occurrence of violations cited in the charge letter sent to the firm; and

Criterion 3. The firm had developed and instituted an effective personnel training program as specified in §278.6(i)(2); and

Criterion 4. Firm ownership was not aware of, did not approve, did not benefit from, or was not in any way involved in the conduct or approval of trafficking violations; or it is only the first occasion in which a member of firm management was aware of, approved, benefited from, or was involved in the conduct of any trafficking violations by the firm ....

7 CFR § 278.6(b)(2) states, in part:

(ii) Firms that request consideration of a civil money penalty in lieu of a permanent disqualification for trafficking shall have the opportunity to submit to FNS information and evidence as specified in § 278.6(i), that establishes the firm's eligibility for a civil money penalty in lieu of a permanent disqualification in accordance with the criteria included in § 278.6(i). This information and evidence shall be submitted within 10 days, as specified in § 278.6(b)(1). [Emphasis added.]

(iii) If a firm fails to request consideration for a civil money penalty in lieu of a permanent disqualification for trafficking and submit documentation and evidence of its eligibility within the 10 days specified in § 278.6(b)(1), the firm shall not be eligible for such a penalty. [Emphasis added.]

### **SUMMARY OF CHARGES**

During an investigation from June 25, 2018 through July 9, 2018, the USDA conducted six compliance visits at TGA Deli Mart. A report of the investigation was provided to the Appellant as an attachment to the Charge Letter dated September 6, 2018. The investigation report included Exhibits A through F which provide full details on the results of each compliance visit. The investigation report documents that SNAP violations occurred during two of the six compliance visits. During two of the compliance visits, a clerk exchanged cash or consideration other than eligible food for SNAP benefits as documented by Exhibits D and F. The buying or selling of SNAP benefits for cash or consideration other than eligible food is trafficking as defined under 7 CFR § 271.2.

### **APPELLANT'S CONTENTIONS**

The following represents a brief summary of the Appellant's contentions in this matter. Please be assured, however, that in reaching a decision, full attention and consideration was given to all contentions presented, including any not specifically recapitulated or specifically referenced herein.

In the reply to the Charge Letter and in the administrative review request, the Appellant, through counsel, made the following summarized contentions, in relevant part:

The Appellant requests the imposition of a civil money penalty in lieu of a permanent SNAP disqualification as the firm had established and implemented an effective compliance policy and program to prevent violations of the SNAP.

In support of the Appellant's contentions, the following documents were submitted to FNS:

- Employee handbook;
- USDA SNAP Training Guide for Retailers; and
- Handbook receipts for 5 U.S.C. § 552 (b)(6) & (b)(7)(C).

### CIVIL MONEY PENALTY

The Appellant requests the imposition of a civil money penalty in lieu of a permanent SNAP disqualification as the firm had established and implemented an effective compliance policy and program to prevent violations of the SNAP.

In the September 6, 2018 Charge Letter the Appellant was informed by the Retailer Operations Division that, under certain conditions, FNS may impose a civil money penalty (CMP) of up to \$59,000 in lieu of permanent disqualification of a firm for trafficking. Per Section 278.6(i) of the SNAP regulations, four criteria must be met in order to be considered for a trafficking civil money penalty. If requesting a trafficking CMP, an Appellant must meet each of the four criteria listed and provide the documentation as specified within ten days of the Appellant's receipt of their Charge Letter. As specified in 7 CFR § 278.6(i), in determining the minimum standards of eligibility of a firm for a civil money penalty in lieu of trafficking, the firm shall, at a minimum, establish by substantial evidence its fulfillment of each of the following four criteria:

Criterion 1. The firm shall have developed an effective compliance policy as specified in 7 CFR § 278.6(i)(1);

Criterion 2. The firm shall establish that both its compliance policy and program were in operation at the location where the violation(s) occurred prior to the occurrence of violations cited in the Charge Letter;

Criterion 3. The firm had developed and instituted an effective personnel training program as specified in 7 CFR § 278.6(i)(2); and

Criterion 4. Firm ownership was not aware of, did not approve, did not benefit from, or was not in any way involved in the conduct or approval of trafficking violations.

If the Appellant's request for a trafficking CMP and the required documentation are not submitted on time, it will lose its right for any further consideration for a trafficking CMP. The SNAP regulations are specific at 7 CFR §278.6(b)(2)(iii) that "if a firm fails to request consideration for a civil money penalty in lieu of a permanent disqualification for trafficking and submit documentation and evidence of its eligibility within the 10 days specified, the firm shall not be eligible for such a penalty". The regulations do not provide the agency discretion to extend the time within which documentation and evidence in support of a trafficking civil money penalty may be submitted.

In the September 19, 2018 reply to the Charge Letter and in the October 19, 2018 request for administrative review, the Appellant, through counsel, requested consideration of a civil money penalty in lieu of permanent SNAP disqualification. In support of its request, the Appellant provided FNS with the firm's employee handbook, a copy of the USDA SNAP Training Guide for Retailers, and employee handbook receipts for 5 U.S.C. § 552 (b)(6) & (b)(7)(C).

The Retailer Operations Division determined that the Appellant was not eligible for a trafficking civil money penalty in lieu of a disqualification under 7 CFR § 278.6(i) because the Appellant failed to submit sufficient evidence to demonstrate that the firm had established and implemented an effective compliance policy and program to prevent SNAP violations. 5 U.S.C. § 552 (b)(7)(E).

Therefore, the Retailer Operations Division’s decision not to impose a civil money penalty in lieu of disqualification is sustained as appropriate pursuant to 7 CFR § 278.6(i).

### **CONCLUSION**

As previously stated, 7 CFR § 278.6(e)(1)(i) reads, in part, “FNS shall disqualify a firm permanently if personnel of the firm have trafficked as defined in § 271.2.” Trafficking is defined, in part, in 7 CFR § 271.2, as “the buying or selling of SNAP benefits for cash or consideration other than eligible food.” The law and regulations do not provide for a lesser period of disqualification for this violation.

Based on a review of the evidence in this case, there is no question that program violations did occur during a USDA investigation. All transactions cited in the letter of charges were conducted or supervised by a USDA investigator and all are thoroughly documented. A review of this documentation has yielded no indication of error or discrepancy in any of the reported findings. Rather, the investigative record is specific and accurate with regard to the dates of the violations, including the exchange of SNAP benefits for cash, and in all other critically pertinent details. Therefore, the decision to impose a permanent disqualification against the Appellant, TGA Deli Mart, is sustained.
